

JULY 9-13 **THE BRIGHTON SCHOOL** **VOLLEYBALL CAMP**

CO-ED

We are offering a CO-ED volleyball program in the spring of 2019 for grades 1-6. Our summer volleyball camp is an excellent way to learn the basics of volleyball so you can have a foundation for our spring program.

ADVANCED

For those who have mastered the basic volleyball skills, join us for a focused experience to enhance your game at our skills camp.

LIBERO/SETTER

This portion of camp will be focused on all things setter and libero. You don't have to be a setter or libero to attend. The skills required to play these two specialty positions make all players better.
